Salmond standing just because he 'loves limelight'

Scotland's First Minister has said her predecessor is only standing for Holyrood so he can be back in the spotlight.

Nicola Sturgeon said Alex Salmond "loves the limelight and can't bear not to be on stage".

The Alba Party launched on Friday, with Mr Salmond (above) as its leader, and has already led to the defections of a number of councillors and two SNP MPs.

The party will run on regional lists and look to get a "supermajority" in support of independence.

Ms Sturgeon said: "I think he will be telling himself he is somehow advancing the independence cause, but I think he is standing because he loves the limelight and can't bear not to be on the stage."

She said she believes Mr Salmond could "hinder" that cause.

Halfon slams school safeguarding failures

SAFEGUARDING procedures in schools are "not fit for purpose" and should be overhauled, according to a former government minister.

It comes amid calls for an independent inquiry after more than 8,000 reports were posted on the Everyone's Invited website, where pupils can anonymously share their experiences of misogyny, harassment, abuse and assault.

Robert Halfon, who chairs the Commons Education Committee, said schools should immediately establish a system of counselling for pupils who have faced abuse.

THE SPANISH CIVIL PHWOAR!

Topless protesters wrestle with cops over Franco memorial

HE may have been dead since 1975 but Spain's former dictator General Franco still causes trouble.

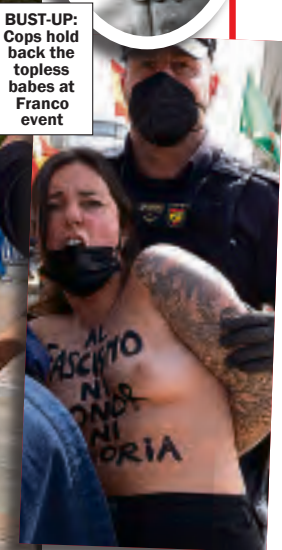

Topless protesters from the feminist activist group Femen turned up to disrupt a rally of more than 200 Franco fans who were celebrating Victory Day on the 82nd anniversary of the Liberation of Madrid during Spain's civil war.

Brothels

Police had to separate the groups during the ceremony, which had been approved by the government.

The bare-breasted Femen protesters landed in Spain's capital with the words "to fascism neither honour nor glory" painted on their bodies, while the Franco supporters retorted by shouting insults such as "who is paying you?" and "return to your brothels".

A cop commented: "Ole!"

Heatwave joy as news more than HALF Brits have COVID immunity

ALMOST 55 per cent of people in England now have COVID antibodies, suggesting at least half of the population now has some immunity against the disease.

A major Office for National Statistics (ONS) testing survey revealed 54.7% of people in England had the virus-fighting proteins in the week ending March 14, up from 50.8% the week prior.

The figure is likely to be even higher now, because millions more have been vaccinated since the blood tests were conducted a fortnight ago and it takes about two weeks for immunity to kick in.

The welcome news came as lockdown-weary Brits yesterday headed to beaches and parks to sizzle on the hottest day of the year and enjoy their newfound freedoms.

Across the south, temperatures soared to 24C (75F) and the mini-heatwave, making parts of Britain as warm as the Spanish holiday island of Majorca, is expected to continue into today.

pals to soak up the sun in parks, beaches and gardens.

That sent tens of thousands heading to the sunshine, helped by the fact that millions are still furloughed.

A cool front moving in from the north will send temperatures plunging to provide a shite Easter holiday weekend, though.

Prime Minister Boris Johnson said he hoped people would take advantage of the "beautiful weather" to play sport or exercise, while also emphasising the country should still "proceed with caution".

"I know how much Government has asked of the people in the last year, but I also know how magnificently - incredible patience and fortitude - people have responded," he told a Downing Street press conference.

WE'RE DOOMED!

A SENIOR scientist has warned that the US faces "impending doom" as coronavirus cases and hospital admissions rise across the country.

On Monday, President Joe Biden urged state politicians once again to make mask-wearing obligatory in public places.

The surge in cases in the US is in contrast with Britain, where the vaccine programme is sending cases plummeting.

Mr Biden also promised that by mid-April 90% of American adults would be able to receive a vaccine.

The US has recorded around 60,000 new COVID cases daily for the past week.

The director of the US public health agency, the Centres for Disease Control and Prevention (CDC), was speaking at a White House briefing when she said she was going to go "off script".

"I'm going to reflect on the reoccurring feeling I have of impending doom," Dr Rochelle Walensky (left) said, adding: "We have so much reason for hope, but right now I'm scared."

Cases have risen particularly quickly in Michigan and the country's north-east, including Connecticut and New York.

Call for global pandemic treaty

BORIS Johnson has joined more than 20 world leaders in calling for a new global settlement to help the world prepare for future pandemics.

The leaders, including the German chancellor and French president, said COVID posed the biggest challenge since World War Two.

The pandemic has shown "nobody is safe until everyone is safe", they said.

Business Secretary Kwasi Kwarteng said the UK needs a surplus of vaccines before it could export supplies.

The 24 leaders say a treaty similar to that reached in the wake of World War Two is needed to build cross-border cooperation.

Signatories include the head of the World Health Organization, Dr Tedros Adhanom Ghebreyesus.

COVID deaths fall below 1,000

WEEKLY registered deaths involving coronavirus in England and Wales have fallen below a thousand and to the lowest level since October, figures show.

There were 963 deaths registered in the week ending March 19 where COVID-19 was mentioned on the death certificate, according to the Office for National Statistics (ONS).

This is the lowest number since the week ending October 16 and the first time the weekly death toll has fallen below 1,000 since the following week.

The figure is down 36% on the previous week's total, with about one in 11 (9.3%) of all deaths registered in the latest week mentioning coronavirus on the death certificate.

SEX TROLLS TARGET KOURTNEY K I'D CRAWL OVER BROKEN GLASS TO SNIFF HER BUMHOLE!

WHITE HOT:

I'd crawl naked over broken glass just to get a whiff of her butt crack

Cool Indian Guy, Bradford, United Kingdom, 7 days ago

Been banged more times than a uber drivers door

grace New York, United States, 7 days ago

She's so hot! All day now is thinking around her and her sexy juices.

KOURTNEY Kardashian posed half-naked in the snow for fans, only to receive a mauling by online commentators.

The 41-year-old soon fell foul of the *Daily Mail*'s notorious trolls after her sexy shoot in the ski resort of Aspen, Colorado.

She captioned three photos on her Instagram: "How's your Aspen?"

In one, mum-of-three Kourtney showed off her bum as she turned away from the camera and looked back over her shoulder.

Two other images showed the Poosh founder in a padded winter coat, left open to display her figure.

Fake

But the reality star's mountain getaway display didn't appear to impress readers of the *Mail*'s website.

Kitty D, in Victoria, Australia, said simply: "Yuck, it's over old girl, put it all away."

While Ryu Ken, in Osaka, Japan, jibed: "Looks like an Afghan boy though."

SallyD, in Orlando, Florida, said: "Of all

the Kardashian/Jenner girls, I usually find Kourtney the least appalling but these photos do not flatter her.

"The hair is stringy and fake looking and the coat, hat and boots are all too big for her. She looks like a kid playing dress up with mom's things."

"It's sad she feels the need to compete with her sisters in this way."

But it wasn't all bad news. Bruno Mestalla, in La Parka, Macao, wrote: "I'd crawl naked over broken glass just to get a whiff of her butt crack."

And another salivated at the thought of Kourtney's "sexy juices".

FIREMEN RESCUE TYRE-D DOG

ANIMAL cops and firemen rescued an inquisitive mutt whose head was stuck in the middle of an old tyre.

Emergency workers discovered the dog, named Bella, had the tyre stuck around its neck.

"Initial attempts to free Bella from the tyre were unsuccessful," cops in Falmouth, Massachusetts, said.

"Falmouth Fire/Rescue were called in for assistance and after evaluation it was determined that the tyre would need to be cut in order to free Bella."

The firemen carefully sawed through the metal rim of the tyre and set Bella free.

Anything goes for pansexual singer Lovato

DEMI Lovato has explained why she loves slurping on cock AND minge.

The *Confident* singer, who has previously come out as sexually fluid, said in a new interview on *The Joe Rogan Experience* that she isn't sure if she'll end up with a male or female partner, or if she'll ever be pregnant.

"In this moment I want to adopt [children] for sure," she said.

"I also don't know if I'm going to end up with a guy, so I can't really see myself even getting pregnant."

"I don't know. I'm so fluid now, and a part of the reason why I am so fluid is because I was super closeted off."

Rogan then asked if "sexually fluid" meant she was romantically interested in both men and women.

After she said yes, he clarified, "What do they call that? Pansexual?"

"Yeah, pansexual," Lovato (above) replied. "Anything, really."

SURVEY UNCOVERS REASONS FOR LUST WITH OLD FLAMES

WHY WE LOVE SEX WITH THE EX!

HALF of women and a third of men have had sex with an ex-lover because they pined for the passion they once shared, according to a new survey.

It found that three-quarters of women and two-thirds of men still hold a candle for at least one former lover from their past.

The most common person we pine for is our first love – most likely to be the person with whom we lose our virginity.

Eight out of ten women (82%) and seven out of 10 men (72%) still have fond memories of their first lover.

The main reason we like the idea of sex with the ex is because of boredom with our current partner.

Half of women (52%) and similar number of men (54%) say they have had BETTER sex with a previous lover.

The results are from a survey of 2,000 people by IllicitEncounters.com, the UK's leading affair site.

It found that 52% of women and

34% of men have had sex with a former lover – sometimes years after they split up.

And 54% of women and 74% of men have reminisced about sex with an ex while having sex with their current partner.

The survey found that two-thirds of women (66%) and half of men (53%) follow at least one of their ex-lovers on social media.

Lonely

A third of women (34%) and a similar number of men (32%) secretly still message a former partner without telling their current lover.

Lots of people end up in bed with a previous lover after getting lonely when they are single.

Four out of 10 women (42%) and a similar number of men (41%) have got back in touch with an ex-lover after a break-up because they missed sex when they were on their own.

More women (52%) than men

(37%) have regretted sleeping again with a previous lover.

Sex was not the same the second time around was the main reason for regrets for half of women (51%) and a similar number of men (49%).

IllicitEncounters.com sex and relationship expert Jessica Leoni said: "Lots of us still pine for the sex we enjoyed with at least one former lover."

"The grass really is greener for lots of people when it comes to sex and their fond memories of the passion they shared with other people when they were younger."

"It is why so many of us are seeking out former lovers on social media sites such as Facebook and even secretly messaging our exes behind the backs of our current partners."

"The fact is, lots of couples are bored with their sex lives and love the idea of spicing things up by sleeping with a former lover."

IllicitEncounters.com has had a 14% rise in subscriptions in the last year – mainly from people fed up being stuck at home with their partner during lockdown.

GHISLAINE SHOWED TEENS HER FANNY

New sex charges for shamed heiress

GHISLAINE Maxwell, the alleged accomplice of dead child-sex trafficker Jeffrey Epstein, has been accused of baring her fanny to girls as young as 14 years old, according to a grand jury indictment.

The undressing allegedly sought to prepare girls for engaging in sexual massages with Epstein.

Specifically, the indictment alleges that Maxwell "enticed and groomed" minor girls to engage in sex with the nonce.

She allegedly did this by first befriending the girls. She allegedly asked about

their lives and took them shopping or to the movies.

Then later on, she would "normalise" their sexual abuse, the indictment alleges.

The normalisation is said to have occurred through "discussing sexual topics, undressing in front of the victim, being present when a minor victim was undressed, and/or being present for sex acts involving the minor victim and Epstein," the indictment said.

Maxwell's nudity and presence during massages were allegedly intended to help put the minors at ease. Sometimes Maxwell would

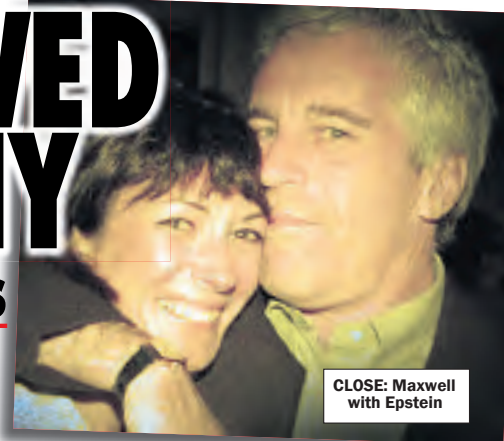

massage Epstein or encourage the minors to do so while the minor was fully or partially nude, the indictment claims.

During the massage, Epstein would allegedly masturbate and ask the minors to touch him while he did so.

Genitals

The indictment also claims he would touch the minors' genitals with his hands or sex toys.

The indictment further alleges that afterwards, Maxwell encouraged the minors to take money from Epstein.

CLOSE: Maxwell with Epstein

Epstein allegedly offered the minors hundreds of dollars each time, under the guise of assisting them with their travel or educational opportunities.

The money also made the minors feel indebted to Epstein and Maxwell, the indictment claims.

The documents filed in the U.S. District Court of the Southern District of New

York, alleges eight charges against Maxwell. The charges include transportation of a minor with intent to engage in criminal sexual activity, enticement of a minor to travel to engage in illegal sex acts, sex trafficking of a minor as well as perjury.

Maxwell, 59, daughter of shamed publishing tycoon Robert Maxwell, is currently in jail in New York.

Winslet felt 'objectified' in sex scenes

KATE Winslet has revealed she felt "objectified" when filming certain sex scenes during her long and successful career.

Speaking about the lesbian love scenes in new film *Ammonite*, the A-list actress (above) said: "We weren't objectified in any way."

"But that also made me realise that I've felt a little objectified in the past."

Kate, 45, stars in the film as real-life English paleontologist Mary Anning, who embarks on a relationship with Charlotte Murchison, played by Saoirse Ronan.

Of the numerous intimate scenes in the movie, the *Titanic* actress said: "I learnt a lot. It felt very equal and very safe, we weren't objectified in any way."

"But that also made me realise that I've felt a little objectified in the past without knowing it."

"It brought up a lot of interesting thoughts."

Kate has wowed audiences in a whole host of raunchy scenes in her previous films.

KILLER MUM POISONED EX'S PORRIDGE

...then strangled him with favourite tie to make sure

A WOMAN has been charged with murdering her ex-boyfriend after poisoning his porridge and then throttling him with his tie.

Heidi Littlefield, 41, was charged after it was found she had repeatedly tried to poison her ex, Francis Kelley.

She'd previously tried to hire her 22-year-old daughter's boyfriend to kill the man.

By COLIN HURST

news@sundaysport.co.uk

Littlefield, along with daughter Logan Runyon and Runyon's boyfriend, Robert Walker, 29, were all arrested in connection with the January 18 plot.

Kelley, who was mired in a custody battle with Littlefield regarding their two-year-old daughter, was found dead

on the couch of his home in Carmel, Indiana. He had bruising around his eyes, elbows, knees and hand, but "no obvious signs of foul play" were spotted.

But an autopsy revealed that Kelley had been strangled and had suffered blunt-force trauma to his head.

His death was ruled a homicide after investigators also discovered the opioid drug fentanyl in his system.

Phone records showed that Kelley suspected Littlefield had a hand in the poisoning.

He had texted Littlefield three days before he was found dead, saying: "Did you do something to the oatmeal that was in my fridge?"

Slaying

"You were in my fridge last night and it tasted funny after a couple bites and now I am light-headed."

Walker, who was arrested in Ohio, told police Littlefield paid him £1,800 to hire someone to kill Kelley, but said he spent it on drugs and had no intention of carrying out the slaying, court records show.

Littlefield told a relative after Kelley was found: "He's better off dead."

"I didn't mean to kill him last time. I might as well say I did it and just say I'm crazy and pregnant."

Walker told cops the killing was actually Littlefield's THIRD try at murdering her ex, claiming she had sneaked into Kelley's home with their daughter in October and put

fentanyl in his soup.

Walker claimed Runyon told him that she and Littlefield got into Kelley's house after he ate the laced oatmeal to finish off the planned slaying, authorities said.

The affidavit states: "Walker said Heidi tried to get Logan to 'snap his neck,' but Logan couldn't do it, so Heidi then tied his 'his favourite' tie around his neck and began smashing his head into the ground."

Kelley and Littlefield were scheduled to appear in court on January 27 after she violated a custody order involving their two-year-old daughter.

Walker said Littlefield had discussed with him "doing work around her house," which they used as code for their plan to kill Kelley, court documents show.

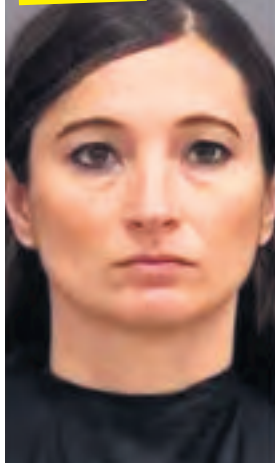

Walker claimed Littlefield also tried to get Runyon to "take the blame for the whole case," which the woman's daughter told him she planned to do.

Investigators wrote: "Walker advised he recalled Heidi asking Logan if Logan 'was cool with going to prison' for the rest of her life."

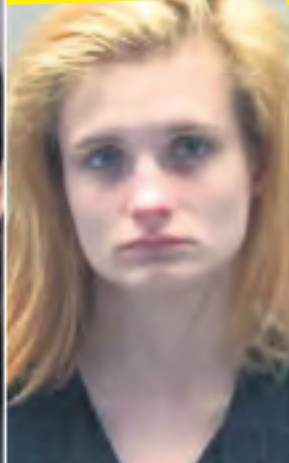

Littlefield, of Sheridan, Ohio, was ordered to be held without bail ahead of her June 15 pretrial hearing.

Runyon and Walker, both of Englewood, Ohio, do not have initial court dates yet.

BURGLAR TEACHER HAD WOMAN'S PANTIES IN POCKET

DRINKING ALL DAY: Morrison

A TEACHER who broke into a couple's flat was caught with handfuls of the woman's underwear.

Adam Morrison, 27, disturbed the couple in the middle of the night as they slept in July last year.

The woman went to investigate and screamed as she saw a 'dark figure' standing in the hallway, Manchester Crown Court heard.

Her partner ran up to Morrison and punched him to the head, knocking him to the floor.

It was then the man saw Morrison was carrying a chisel. A struggle ensued, resulting in the man's upper arm being cut, the court heard.

Morrison was restrained by the man before police arrived and arrested him.

Prosecuting, Richard Orme said: "On being searched, recovered from the defendant's left trouser pocket was a red

bra belonging to the woman and from his right rear trouser pocket were recovered a number of pairs of underwear which she confirmed had been in her underwear drawer in the spare bedroom, meaning the defendant had been rummaging through her underwear drawer."

It became apparent that Morrison had broken into the flat in East Didsbury, Greater Manchester, through an open kitchen window.

In interview, Morrison claimed that he was desperate for money after having had sex with an escort who was 'demanding more money'.

He also claimed he had been drinking all day and that he had taken drugs

which he had bought on the Dark Web.

It was said that he was living with his brother, a chartered accountant, who lives in the same building as the couple.

In mitigation, his defence lawyer Nicola Gatto said: "Several others referred to the incident as a bizarre situation, particularly for a man of his background."

"He himself has a first class honours in computer science."

"He taught for several years, young girls and young women, and of course has now lost his profession."

Morrison, of East Didsbury, pleaded guilty to aggravated burglary and was jailed for six years.

Felicity: Sex for oldies is not an issue

ACTRESS Felicity Kendal has dismissed the idea that ageing means giving up on sex and said that bonking is nothing to do with how old you are.

Felicity (above), 74, who played sexy Barbara Good in 70s sitcom *The Good Life*, told *Saga* magazine: "Life gets better with age. You are more at ease with yourself."

"It's the lack of years we have left that I resent. Physicality is so important, not being able to physically touch people is a deprivation, as we've discovered during the pandemic."

"I don't think things change because you are older. It's a couples thing, not an age thing. I know from various couples my age in my circle that sex is as important to them as it always was."

"But if it ceases to be, that's also fine."

Felicity lives with her ex-husband, theatre director Michael Rudman, 82.

They were married from 1983 to 1990, then rekindled their romance in 1998.

Ghost-hunters spooked with lockdown fine

A GROUP of ghost-hunters weren't following the spirit of the law when police caught them breaching COVID rules to explore a haunted house.

Officers from the Police Rural Crime Team swooped after seeing vehicles parked outside a precariously derelict building near Chester.

Inside they found three different groups of people who claimed they had travelled to the city for a 'paranormal activity event'.

One group had driven from West Yorkshire, while another, made up of different households, claimed to be 'paranormal investigators' from Derby.

A third group, again from different households in Cheshire, told cops they were 'urban explorers'.

All 12 men and women were issued with fixed penalty notices, officers revealed on Facebook.

OH dear, poor old Bristol's been in the headlines for all the WRONG reasons recently.

Drunk woman beat sex snub boyfriend with hair dryer

A WOMAN allegedly twatted her boyfriend with a hair dryer when he refused to bonk her. Cops went to an address in Wichita Falls, Texas, after receiving reports of a disturbance. They found Sierra Adriana standing in the roadway shouting at a man standing on the porch. Officers say Adriana seemed intoxicated. She said she came home from a bar and wanted to have sex. She said her boyfriend was asleep and told her to get off him. They argued and a scuffle ensued. The victim said Adriana picked up a hair dryer and was swinging it by the cord, striking him several times. Both parties had injuries, but the officer noted that Adriana had come home intoxicated and aggressive. Adriana also said, "Let me back around him and I'll beat his ass again". Adriana (above) was arrested and charged with Assault Causing Bodily Injury-Family Violence.

SPACE ALIENS STEAL OUR SPUNK!

**NEW BOOK
REVEALS
HUNDREDS
ABDUCTED BY
MOONMEN...**

SPACE aliens are visiting earth and stealing human SPUNK, an expert has claimed.

A total of 212 people say they have been abducted since 2014 and many recall close encounters of a sexual kind, says Jerome Clark, author of *UFOs in the Late Twentieth Century*.

Victims include a Brit taken by tall ETs of "beautiful appearance and friendly demeanour".

Naked

Clark also tells of Aussie Peter Khoury, who met "blonde beings" in Sydney in 1992.

Jerome writes: "He was shocked to see two strange women kneeling on his bed. Both were naked. One appeared Nordic and the other Asian."

The book says the Nordic woman pulled Peter's head to her breast three times and he bit her nipple.

She tried to have sex with him

but vanished, leaving blonde hair.

Analysis of the locks found them to be a hybrid of Asian and Gaelic advanced DNA.

A woman from the US city of Indianapolis, Indiana, claimed aliens impregnated her aboard a ship, then returned months later for the foetus.

She says they took her again and introduced her to her half-human, half-alien daughter.

Jerome added: "Their usual dress is a coverall or one-piece jumpsuit, often skintight, perhaps even so snug that the beings appear (or are) nude."

"Abductions can happen anywhere and may last anything from 20 minutes to five days."

"The usual duration is one to three hours. Most happen at night."

"A key procedure is inspection of the reproductive organs, often followed by extraction of sperm or eggs."

£700 ICE CREAM TIP A COOL GESTURE

AN ice cream fan left a £700 tip at an ice cream parlour after wolfing down some cornets and a sundae.

Fentons Creamery posted about the generous gratuity on social media, thanking the customer for her incredible act of kindness.

The customer had left a \$1,000 (£723) tip for a \$63.31 (£45) order and wrote "stay well" on her receipt.

"She said she was just happy that we are still open," Fentons wrote on Facebook.

"Amazing. And WOW. And Thank You! What a Year!"

The ice cream parlour and restaurant, based in Oakland, California, went on to thank its other customers as well for helping it stay open during the pandemic.

Pool nutter had pooped his pants

A MADMAN went berserk with a lump of wood at an open-air swimming pool and SHAT HIMSELF when cops arrived.

Drunk Casey Buzzard started grabbing people in the pool at Lolo Hot Springs in Missoula County, Montana.

Attendants told him to get out of the water but Buzzard then tried to break into the shut bar.

An employee who tried to stop Buzzard was twatted with a lump of wood.

Cops were called and they noticed Buzzard was "visibly intoxicated and smelled as though he had defecated in his pants".

Buzzard faces charges of aggravated burglary, assault with a weapon and criminal mischief.

CHUNKY MONKEY SENT TO FAT CAMP

AN obese monkey has been sent to FAT CAMP after his weight DOUBLED in lockdown.

The three-year-old primate, named Godzilla, had been spotted in the Min Buri district of Bangkok, Thailand, where diners at a street-side eatery would gather to catch a glimpse of the massive macaque – and feed him junk food.

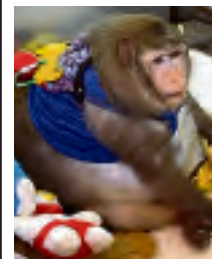

Clocking in at more than 44lbs, he is about twice the size of a typical adult macaque.

Godzilla's keeper, Manop, who runs the Min Buri food stand, exercised him daily to no avail.

Manop said she had adopted the overweight primate after he was abandoned by his previous owner.

But her failure to help the monkey slim down prompted her to send Godzilla to rehab.

"I bring Godzilla with me to the market. A lot of people give him food," she said.

TIGHT SQUEEZE:
Demi is busting out of her corset

By **WENDY THOMAS**
news@sundaysport.co.uk

DELICIOUS Demi Rose had her fans drooling after sharing a couple of photos of herself in a sexy pink corset.

Demi, 26, took to her Instagram Story for a "random photo drop" to reveal the snaps.

In one, she gave us a great view of her cleavage in the structured garment, which featured a strapless design and a neckline which dropped right below her boobs.

Curves

The bubblegum pink outfit accentuated the Birmingham babe's hot curves as it pulled her right in at her waist before going out again in a tight hourglass shape.

Now, a lot of babes can carry off shocking pink but busty Demi does it with aplomb. And, dare we say, we'd like to see more of her "pink"!

But, while we think about that, here's five pages of babes also looking pretty in pink.

HOW CROSSBOW CANNIBAL DESCRIBED CONSUMING HIS FEMALE VICTIMS...

'Eating the flesh is part of the magic'

STEPHEN Shaun Griffiths was born in Dewsbury, West Yorkshire, 51 years ago on Christmas Eve.

He was believed to have been deeply affected by the breakdown of his parents' marriage and remained living with his mum – who experts say he held in "utter contempt".

Forensic psychologist Dr Julian Boon explained: "She was rumoured to be a prostitute and would often be seen naked in their garden with men."

When Griffiths was 13, his father had managed to save enough money to send him to a £9,000-a-year public school.

Almost as soon as he started, his attitude was described as "bad" by his

teachers and he left before he took his A-levels.

Almost as soon as he'd left school, Griffiths embarked on a life of crime – first shoplifting and then moving on to violent and terrifying assaults.

Unprovoked

When he was just 17, he was jailed for three years for an unprovoked knife attack on a supermarket manager.

Chillingly, while he was in prison, Griffiths confessed that he wanted to become a serial killer but nevertheless

was released back into the outside world.

Five years later he was back behind bars for holding a knife to a girl's throat.

Even after his release, Griffiths struggled to cope with the lack of attention he was given.

In 2009, when his obsession with murderers and serial killers had reached a disturbing level, he enrolled on a master's degree course at Bradford University – not to solve mathematical mysteries or the wonders of fine art, though: he was studying the difference between killings in the 19th century and murders today.

Then, just before his first gruesome murder, Griffiths recorded a chilling declaration and uploaded it onto social media.

Psychologist Dr Adrian Needs explained: "In his statement on MySpace he seemed to echo the statement made in the book *Red Dragon* [the first in the Hannibal Lecter series] about a sense of becoming."

"He is going to become something that other people find astounding and awe-inspiring."

And so it was that in June 2009, Griffiths claimed his first life.

Susan Rushworth, a known sex worker, went missing after getting off a bus in Bradford.

Griffiths killed her with a crossbow before dismembering her body in the bath. Her remains have never been found.

Less than a year later, in April 2010, Shelley Armitage, another known sex worker, became his second victim.

Once again, Griffiths shot her with a crossbow before chopping up her body and disposing of her remains in the River Aire close to Bradford.

Horribly, he used

SOME little boys dream of becoming a train driver or an astronaut.

Not so Stephen Griffiths.

He just wanted to grow up to be a serial killer.

But unlike many little boys who never become train drivers or astronauts, Griffiths achieve his aim.

He would go on to ruthlessly kill three women and, referencing his chosen murder weapon, gave HIMSELF his chilling moniker – **The Crossbow Cannibal**.

When finally caught he also boasted to cops about how he had **EATEN** parts of his victims, sneering: "That's part of the magic."

REAL- CANNI

public transport to move her body parts in bin bags so he could dump them.

This murder was even more terrifying than the first because as he calmly butchered Shelley, he filmed the crime on his mobile phone, describing what he was doing.

In an act of extreme incompetence, Griffiths then lost his phone on a train, where the footage was viewed several

times and the mobile even sold on before it was handed into police.

Griffiths' final victim was Suzanne Blamires, who he kidnapped and held in his flat for two days before she made a desperate bid for freedom.

Dumping

She ran out but was chased by Griffiths, who shot her with a crossbow and again dismembered her body before dumping

her in the river. But as he was re-capturing his victim, Griffiths spotted that he had been caught on CCTV in his block of flats.

In a chilling act, while holding his weapon aloft, he flicked the finger at the camera as he hauled Suzanne back inside.

The caretaker of the flats was horrified when he was reviewing the footage and witnessed the gruesome crime.

He alerted police, who

arrested Griffiths at home – where he had been calmly waiting to be taken in custody.

After his arrest, he told West Yorkshire Police: "I've killed loads.

Notorious

"Peter Sutcliffe [the Yorkshire Ripper] came a cropper in Sheffield. So did I but at least I got out of the city."

Dr Boon said: "In making the gesture to

the camera, he's saying 'I don't care that you can see what I have done'.

"He made no attempt to avoid arrest. He has become the notorious serial killer that he wanted to be."

Griffiths was candid in police interviews, even telling officers he had eaten parts of his victims' bodies.

He said Ms Blamires – whom he knew as "Amber" – was "gone",

that he had "eaten some of her", and added: "That's part of the magic."

He also admitted that he "didn't have much time for the human race".

On December 21, 2010, Griffiths was convicted of all three murders after pleading guilty.

At Leeds Crown Court the same day, the judge, Mr Justice Openshaw, sentenced Griffiths to life imprisonment.

Prison

He was also issued with a whole life order – meaning he will never be eligible for parole and will spend the rest of his life in prison.

PAY-ROW WELDER CUT BOSS INTO BITS

Body parts buried in carrier bags

ANGRY: Suspect Shane Norman

A WELDER who was angry that his boss had docked pay for poor timekeeping took grisly revenge.

Shane Norman, 30, shot dead Nathan Young, chopped up his body, burned the bits and then buried what was left in carrier bags.

Young's body was found in a creek bed in Lebanon, Missouri, on November 6, 2020. His head, hands and feet had been removed and the suspect had attempted to burn the body, the Laclede County Sheriff's office said.

Young, 33, was killed by a gunshot to the head, the sheriff said.

That was confirmed by the coroner.

Tattoo

Norman, who had worked for Young at his welding business, was on probation for other crimes at the time of the killing.

It's believed Norman confessed to the killing to another inmate while in the clink on another matter.

"There was a tattoo that was still vaguely showing," said Laclede County Sheriff David Millsap after the body had been found.

"We had a missing person from that week

and we were able to figure out the tattoo may have belonged to him."

Sheriff Millsap says the shotgun Norman used still has not been located.

Deputies spoke with one of the dead man's friends who saw Norman driving Young's pickup around town.

When cops searched the truck, they found a saw with no blade and what appeared to be blood, muscle, fat and hair follicles.

"This had been a long, but very detailed, investigation. We have presented a solid case to the Laclede County Prosecuting Attorney's Office," Sheriff David Millsap said.

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

ONE of the most depressing things about lockdown being lifted – a bit – is that we'll notice our doorbells ringing more often again.

Not necessarily from friends and relatives – most of them will still be shitting themselves behind the curtains.

No, our doormats will soon be begrudgingly welcoming the very last people anyone wants to see now – politicians.

Worse still, politicians who will be asking for your vote in the May local elections.

As IF we haven't seen enough of the two-faced, mind-changing, waffling, bleating, boring bastards over the last twelve months.

Those tedious "next slide please" daily televised press briefings have directly resulted in the replacement of more than one telly in our house.

Dirt

Now, just when you thought there was some light at the end of the tunnel, you realise there is – only it's a train hurtling towards you.

We'll have politicians in the flesh, standing with their beaming 100 watt smiles on the doorstep while they pretend to give the remotest f**k about whatever it is you wearily care to raise.

If you don't like dog dirt, dammit, then neither will they.

Youths scaring the ducks at the local pond? Your representative will police the area themselves. Honest.

They'll even offer you a lift to the polling station – if you could just lend them your vote?

Why are they doing this to us? Why are they insisting on giving us

Lockdown is lifting...and here come the politicians!

even more politics when we've had nothing else day in, day out, for the last five years – and especially the last twelve months?

Like the whole Brexit malarkey, the Corbyn meltdown, the Boris

coup, the sadness of Starmer, weren't all enough?

Well, enough already.

After all we've been through, the box most voters will be looking to tick come May will be: "None of the above."

IS anyone buying the explanation that a quarter-million tonne container ship longer than the Empire State Building is tall got blown off course by a gust of wind in the Suez Canal?

My old man used to sail on these things. Manoeuvring them is not the same as driving a Mini Metro.

A quick twitch to the left or right won't see these monster boats make a sudden dash in another direction.

It can take MILES before you notice you are starting to point another way.

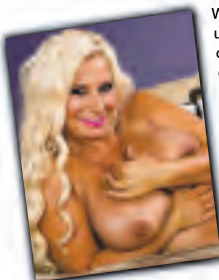

But the big one – snootily ignored by the posh papers – is that a marine tracking website recorded the Ever Given vessel sailing in a cock-and-balls pattern in the sea earlier in its trip.

So, something may well have been "blown" off course. Just seems more likely to be someone on the bridge.

BLM activist smeared sh*t on Abe statue

A BLACK Lives Matter activist has reportedly been arrested for allegedly smearing faeces and throwing paint on an Abraham Lincoln statue.

The bronze statue – known as “Seated Lincoln” – of the 16th president is situated in Julia Davis Park in Boise, Idaho.

Terry Wilson, 37, was caught and arrested by Boise police after he fled.

“Wilson was found to be in possession of a firearm, marijuana and drug paraphernalia,” police said.

Wilson (above) faces charges including injuring monuments, ornaments and public improvements, resisting and obstructing officers, possession of marijuana and possession of drug paraphernalia.

City workers were able to clean the statue, which was not permanently damaged.

For some reason, BLM headbangers in the USA have taken against Abraham Lincoln, even though he's the man who abolished slavery.

Zen Temple ‘church’ was nudist camp

OFFICIALS have dropped action against an illegal nude resort that posed as a CHURCH.

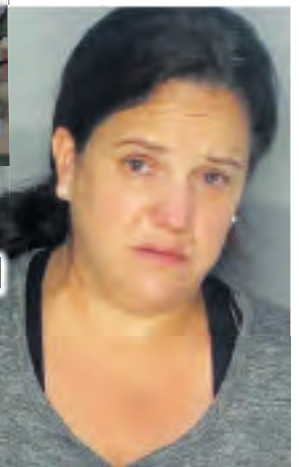

According to the lawsuit issued in April 2019, council officials had asked a judge to close down Zen Temple, located on adjacent properties in Las Vegas, and for the owners to pay £10,000 in unpaid taxes, fees and interest.

The defendants had been asked to “cease and desist” from using the property “for commercial purposes,” but they had refused.

The “Temple” had been registered as a church, but neighbours complained of naked people running around the grounds and hearing “sex whoops”.

The lawsuit has now been dropped after Zen Temple agreed to close down.

TEACHER'S LESBIAN SEX WITH SCHOOLGIRL, 14

'GROOMED' VICTIM:
Valle-Tejada and (above) school in Florida

A LESBIAN schoolteacher seduced a 14-year-old pupil and then licked out the girl for FOUR YEARS!

Jeanette Valle-Tejada is facing several charges after a student reported to a high school principal that she had been sexually molested from 2009 to 2013.

The victim said Valle-Tejada, a reading teacher at Hialeah Senior High School in Hialeah, Florida, sexually molested her while she was a middle-school student in 2009.

She said the abuse continued through her high school years.

Valle-Tejada was arrested the following day.

According to the victim, the relationship began when the girl was 14 and ended when she was 18.

Fingered

Investigators said Valle-Tejada “groomed” the victim acting as a mother figure, providing her with financial assistance.

The report stated that Valle-Tejada “presented herself (to the victim’s) mother as a trustworthy person seeking to help her daughter”.

The girl would visit the teacher’s residence and sleep overnight on occasion, according to the report.

Valle-Tejada also took the girl to restaurants and nightclubs.

But the lust-crazed

miss also fingered and licked out the girl’s minge during the sleepover.

Valle-Tejada also used a double-ended dildo with the girl and masturbated while the teen used the toilet.

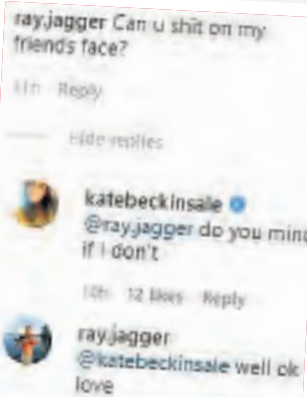

Miami-Dade County Public Schools said it is “deeply disturbed about the allegations made against this individual”.

It added: “The employee was removed from the school setting and Miami-Dade Schools Police launched an investigation.

“The District will be terminating her employment and she will be prevented from seeking future work with this school system.”

Valle-Tejada is facing charges of tampering with evidence, luring or enticing a child, and lewd and lascivious behaviour.

Kate's indecent POO-posal!

BRIT-born Hollywood beauty Kate Beckinsdale has long been a star on social media – tackling vile trolls head on in their tracks.

But this is believed to be the first time she's faced a bizarre SCAT request!

The 47-year-old *Underworld* stunna – daughter of late *Porridge* legend Richard Beckinsdale – regularly takes on those brave enough to have a go at her online.

But her latest put-down is just plain fabulous.

After posting a picture of herself in gym gear at the weekend, follower “ray.jagger” asked the drop dead gorgeous brunette: “Can u shit on my friends face?”

An hour later, the *Van Helsing* temptress replied simply: “Do you mind if I don’t.”

A crestfallen Ray replied in turn: “Well ok love.”

THE WORLD FAMOUS AGONY
Page

Dear Sam,

I'M a bouncer at a lap dance bar and I've had a few flings with some of the really fit performers.

I've recently shagged a gorgeous Polish girl. She's blonde and has a perfect body with lovely 32D tits and she's filthy in bed.

The first time I boned her was in the back of my car. It was after I gave her lift home when she said she couldn't invite me in because her boyfriend was there.

So I drove to a local park and had her on the back seat from behind.

She sucked me off for ages before she bent over to spread her cheeks for me.

And just as I was about to come she told me take her up the arse!

The problem is that she has now finished with her fella and wants to move in with me. I don't want that.

SP, Birmingham

Sam says...

IT sounds like a fling to me – tell her you prefer living alone.

Dear Sam,

MY wife, a tasty brunette in her late 30s, likes to shag builders. She gets them to quote for jobs and then offers sex in return.

So far, we've had a conservatory and an extension done for very reasonable prices.

She was up front about her desires, so I don't feel she's cheated on me.

I often ask her to film the romps on her mobile phone – as long as the builders agree, of course – so I can watch them, too.

A couple of weeks ago I watched as a young fella in his 20s boned her.

She sucked him off and then he nailed her in both holes before spunking on her tits.

Problem is I fear she'll leave me one day.

PS, Leeds

Sam says...

MAYBE learn how to be a builder yourself!

Grieving girlfriend is giving me no-sex grief

Dear Sam,

I'VE been dating a girl for about a year now. I'm 20 and she's 23, dark-haired, with big tits and a good arse.

At first the sex was great – on our second date she asked to go for a drive and when I'd parked up she went straight to my pants and started playing with my knob.

I was hard in an instant and she took off her top and put my throbbing cock between her lovely boobs and tugged me off until I shot my sticky load everywhere.

She also loved dressing up for sex sessions in stockings and suspenders and being taken from behind, hard and fast.

But her mum died recently and she's gone all miserable and started wearing black all the time – but not her undies, sadly.

We haven't done it for two weeks and my ballbag is bursting. Now I'm seriously thinking of dumping her. What do you think?

JC, Bristol

Sam says...

HAVE some sympathy while she grieves, you horrible little shit!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Tool factory beauty loves to polish my big wrench

Dear Sam,

I AM a married middle-aged man with two kids and a boring job.

I work in a factory that makes engineering tools that is 95 per cent full of blokes and the few women who work there are nothing to get excited about.

That was until recently, though. There was an old cleaning lady who used to keep our tea room nice and tidy before she retired and her recent replacement is fit as f**k. We all ogled this new bird when we first saw her. She's about 35, with blonde hair and a very nice figure.

Aroused

On her first day at work, all the lads were flirting with her and paying her compliments and trying it on with her. But she was having none of it and told them in no uncertain terms to go and f**k themselves – which was funny!

Then one day a couple of weeks ago I went for a cup of tea and was alone until the fit cleaner came in to join me.

We started chatting, she was showing more than usual and I got a cracking glimpse of her lovely arse.

Straight away I became aroused, even more when she turned around and I could see right down her top!

She caught me looking at her and I thought she was going to give me a right mouthful – or punch me in the face!

But amazingly, she moved her hand down to my crotch and felt my bulge.

Then she undid my pants and got down on her knees before she wrapped her lips round my throbbing helmet.

She was an expert at blowjobs – bobbing quickly along the full length of my shaft and even taking my entire knob right down her greedy throat!

I was about to shoot my load when she slipped out of her white panties and invited me to take her from behind.

Since then I've been shagging her at least three times a week!

I really like the cleaner, who is married with one kid, and I am now planning to leave my wife for her.

Should I go for it? Please advise!

HG, Sheffield

Sam says...

IF you honestly think you have any kind of a future together – other than just shagging each other's brains out – then go for it.

Dear Sam,

I'm a 22-year-old girl and I've been working for two months in a large office with four other women – and 20 blokes.

I've managed to shag six of the fellas already. It's not that I'm a slag or anything – I just love sex.

I had my first office jump with the manager when I bonked his brains out on a quiet stairwell.

But the best shag was with a 20-year-old hunk who shafted me doggy-style for a good 30 minutes.

But now the other women call me the office bike. How can I put an end to this tittle-tattle?

SB, Essex

Sam says...

GO easy and be a bit more selective.

Dear Sam,

I AM a 32-year-old bisexual and I've been sleeping with my sister-in-law.

We were at a party and both a bit tipsy when I confessed to her that I liked to make love to women as well as men.

To my surprise, she admitted that she had the same leanings – so we staggered out unnoticed to the garage for a bit of a snog.

Once inside, we locked lips for a while as we felt each other's breasts.

Then I slipped my hand up her skirt and down her panties and eased my fingers into her pussy and massaged her clit.

She was moaning with pleasure and I steadily increased the pace until she had a shuddering orgasm.

Then she shocked me by taking a small vibrator out of her handbag.

I was in heaven as she went to work on my moist pussy and soon I climaxed.

We've been sneaking round to one another's houses since and we are thinking of setting up home together.

But it's not easy for me as she's my husband's sister.

What can I do?

JE, north Yorks

Sam says...

LIKE a strap-on, it's a hard one. Maybe you should keep it secret.

Wife eager to nail me – but it hurts!

Dear Sam,

MY missus is well into gardening, so her hands have always been grubby and her nails clipped short.

I've never minded though, because it has never stopped her giving me loads of sex, whenever I feel horny and pester her for a bit.

Many a time I would sneak out into the back garden as the wife was planting bulbs, goose her arse and lead her into the shed.

Once inside I would push her up against the lawn mower and give her a big sloppy kiss as I undid her blouse and scooped her 34F melons out of her bra.

After a bit of licking and sucking of her nips, I would hitch up her long, flowery skirt, take down her drawers and have her right then and there.

But now she is in her 50s she has sadly given up gardening because her back started giving her gyp.

Ripping

To be honest, I thought her back would stop us shagging as often, but it hasn't – we just can't be as adventurous as we used to be.

Most of our lovemaking is now in the missionary position. But I'm still getting serviced five times a week, which isn't too bad for a fella in his 50s.

The problem is, now my missus isn't gardening any more, she has grown her nails long.

She's always passionate on the job, but she's ripping my back to shreds.

I've told her about it, but she says I'm ungrateful and that I should find it horny.

What should I do?

VK, Kent

Sam says...

TAKE your wife to a nail bar for some pampering, and save your back.

'A bit of lesbian fun turns into a hot threesome!'

...WITH
ZAFIRA KLASS,
34D-24-34,
FROM BUDAPEST,
HUNGARY

MY very biggest fantasy is going to a house party with my fella and spotting a really stunning girl there.

I can't help but flirt with her and she flirts right back.

My boyfriend is hugely turned on by all this and encourages it.

I would go and talk to her for a while, and after a few drinks when we are a little tipsy we go into an empty bedroom and hands wander.

Licking

We are in the midst of getting each other really turned on, we're naked and caressing each other's boobs and licking each other's pussies when my man knocks on the door.

My new friend welcomes him in and we have the hottest threesome.

He gives me a pounding from behind while I'm going down on her, then he pounds her while she licks me out.

He lies flat on his back and I ride his cock while she sits on his face and then we swap over. I'm all worked up now!

#HOT'N'HORNY

HUGE-breasted Ines Cudna has confessed she keeps herself in shape with plenty of energetic SHAGGING.

The beauty, originally from Poland, has a vigorous training regime to maintain her figure so that she's ready to strip NAKED at any time!

Horny Ines likes to burn the majority of her calories between the sheets as well as regular sessions at the gym and playing for an all-girls netball team.

The 32D scorchers said: "I'm a big fan of sexercise. I love the girl on top position as it's great to tone up my thighs."

"I know that orgasms burn calories, so I always make sure I have a few!"

"And it's only polite to return the favour, so I make sure my man is satisfied, too."

"I also swim, play netball and lift weights at the gym. But that's not half as much fun!"

SPECIAL OFFER: ANY 3 PRIVATE SHOPS DVDS FOR £25 (was £75)

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of nosh as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the *Sport* but this one is really something special and one you **MUST** not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

Ireland kids just too green blast pundits

By JOHN ANTHONY

IRELAND manager Stephen Kenny has defended his youth policy after crashing to defeat against Luxembourg.

The boys in green turned their fans that colour after losing to the minnows on the back of another defeat against Serbia.

It gives them a massive mountain to climb to get close to World Cup qualification. Seven of the players in those games were 22 or under and many pundits think they are barely good enough for the under-21s, never mind the full squad.

But Kenny is having none of that.

He said: "It would be too easy for me to say that we'll have long-term success with this, but what I will say is that all of those players coming through, a lot of them are very talented."

Blossom

"There are some suggestions that they'll all end back playing in Ireland and that they're not that talented."

"All those players that have come in — Dara O'Shea, Jason Knight, Jayson Molumby, Aaron Connolly, Caoimhin Kelleher, Gavin Bazunu and all of those players, they will all have good careers at the top level."

"They are going to be good players for Ireland in the future and they are talented players, and you will see them blossom."

"And there are other

NEW KEEPER: Kelleher

players like Troy Parrott as well and players I haven't even mentioned.

"We've got a whole lot of players coming through and that's a real positive in relation to it."

"But I do think it's not just long-term, I think we can be good in this campaign."

Derby midfielder Knight is one of the young guns being given an early chance by Kenny.

And the 20-year-old is convinced that Ireland will benefit from all the new faces.

But he thinks there can be no waiting to gain more experience and results need to improve quickly.

Knight said: "Us young lads coming through need to step up now."

"This is the international stage and you're here for a reason, so it's down to us to ultimately perform and perform when we are asked to."

Shaw's strong
United form
has earned
an England call

LUKE'S A SHAW THING FOR GAZ

England legend backs United defender

By PAUL THOMAS

LUKE Shaw is the No1 left-back for England says a man who won over 100 caps in the position.

Ashley Cole believes the rejuvenated Manchester United defender has the edge of Ben Chilwell.

That won't go down well with fans of his former club Chelsea, but the 107-cap former Lion thinks Shaw is finally fulfilling his potential under Ole Gunnar Solskjaer. That's ahead of Ben Chilwell who has been in and out of the team for club and country.

Shaw got back into the England side for the first time since 2018 against Albania and put in a decent show during the 2-0 win.

While Chilwell battles to win over new club boss Thomas Tuchel, Cole thinks

the United man will end up wearing the No3 shirt in this summer's Euro finals.

He said: "I think at the moment Shaw is in the lead."

"It is a tight one but I think Shaw is just pipping it at the minute."

"I think he is playing more consistently for Manchester United, whereas Chilwell, some days he plays and some days he does not for Chelsea. "But who knows? Going into the last games of the Premier League season, who can hold their nerve and keep that consistency up before the squad gets announced?"

Meanwhile, at the other end of the pitch, Harry Kane has defended his playing style when wearing an England shirt.

Some pundits think the

Spurs man plays more like a false nine for the Three Lions rather than an out-and-out striker as he does for the Londoners.

In the win against Albania, Kane almost played as an advanced midfielder and dropped off constantly to get on the ball.

He thinks that is the best way to play internationals as England have plenty of midfield runners that he unlocks the space for.

And he has a point with Phil Foden and Mason Mount both benefitting from Kane pulling defenders out of their natural positions.

The England skipper said: "I think it has been part of my game for a while now."

"There has been a lot of talk about it this season for club, but I feel like for country I have been doing it more regu-

larly. Obviously we have got great pace on the wings, great forward runners from midfield."

"So it is natural for me to drop and try to create play. Thankfully Mason put one away against the Albanians with a great finish."

Spells

Kane ended a run of six England games without a goal last time and is happy to be back on track.

He added: "As a striker you sometimes go through spells where everything you touch goes in and sometimes it just does not quite go your way."

"I had a few off the line in that spell, an offside goal that I do not think was offside, and that is part of being a striker."

"You have just got to stay focused on doing your job for the team."

Ace Muller drops big Kop hint about his next club

KOP OFF:
Muller is
keen on
Anfield
transfer

GERMANY legend Thomas Muller has dropped a big hint that he may sign for Liverpool this summer.

The Bayern Munich forward has stunned the Bavarians by saying he could follow in the footsteps of Thiago Alcantara.

The Spaniard left the Germans for Anfield last year.

It's a shock to hear Muller say he could leave because he has been with Bayern since he was a kid.

He came through the youth ranks and has been at the club for 20 years. The 31-year-old is closing in on 600 games and has scored an impressive 212 goals for the German giants.

But it appears that he's looking for one big challenge before getting too old.

Muller said: "I'm not fixed to this club."

Fork

"I have a special relationship. I loved Bayern before I started playing for them, but when there is a situation where you have to decide maybe to play for a different club it would be no shame and no problem at all. "Maybe like with Thiago Alcantara."

Muller has another two years left on his contract and Liverpool are unlikely to fork out the £40m Bayern would demand for a player getting towards the end of his career.

But it would be tempting for fellow German Jurgen Klopp to bring such an experienced star to Anfield. The Reds have been

GERMAN LEGEND EYES LIVERPOOL

missing a Muller type of player since Philippe Coutinho left for Barcelona.

His partnership with Thiago at Bayern was golden and the Kop boss would clearly want to repeat that again.

But it appears that the Anfield transfer funds could be spent at the other end of the pitch.

Despite improved displays from Ozan Kabak who has settled into his role replacing the injured Virgil

Van Dijk, Klopp is in the market for another central defender.

Red Bull Leipzig stopper Ibrahima Konate has been speaking about Liverpool's interest in him.

He is currently on duty with the French under-21 side. But Klopp is thought to be in the late stages of securing his signature for the soon-to-be-deposed Premier League champions.

The youngster said: "I woke up, I saw my phone

ringing all over the place. I just wanted to tell them, 'Hey, I played yesterday, I'm tired, leave me alone'."

Konate says he doesn't want to think about such a high-profile move.

He added: "Frankly, I don't even watch this. We can't focus on that, there are the Euros and then my return to the club. You have to focus on that and not on the external things."

It has emerged in Germany that Klopp came close to signing Konate in January and even put in a bid for his teammate Dayot Upamecano.

Talking

At that time, RB Leipzig quoted a ridiculous price to put Liverpool off.

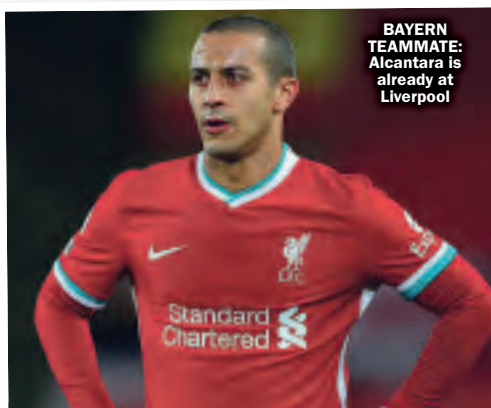

But things will be different at the end of this season.

Klopp said during the last window: "You know the situation with centre-halves."

"You know the clubs where the centre-halves are playing, because everyone is talking about them. Tell me if one of these clubs needs the money?"

"And if they need money then they want crazy money."

"I am not sure there is an £80million centre-back available at the moment and a club thinks 'We can get £80m for him so we will sell him.'"

ENGLAND FOCUSED ON INDIA REVENGE

CRICKET By ANDY MILLOM

ENGLAND can get revenge on India in their own backyard this summer.

That's the verdict of coach Chris Silverwood who is looking forward to the rematch against Virat Kohli's men.

India won the Test series 3-1 before taking the T20s 3-2 and the 50-over matches 2-1.

That's not a bad performance from the Three Lions against a side that had conditions very much in their favour throughout.

Amazingly, it is almost 40 years since England beat India in a one-day series but Silverwood thinks that wrong can be put right this summer.

He said: "It was a good, competitive series throughout."

"I'm very proud of them, I'm proud of each and every player who has been out here."

"I'm proud of the effort and the attitude that's been shown towards the game. I think we've learned a lot and from that point of view I couldn't ask any more of them."

"It's a very difficult place to come and win, we know that."

"India are very strong in their conditions, but there's been lots of encouragement."

"We've got valuable experience for the T20 World Cup coming up, and if we look back at the Test series, the amount of experience the youngsters will take out of that from playing in those conditions, the lessons they've learned, when they come back again they'll know what to do and have a better game plan."

"From a T20 point of view it's been really interesting how India operate in their

BIG FINISH: Curran

conditions, what types of balls they bowled."

"Equally our batsmen have had a look at those conditions. So there's a lot of encouraging signs out here and a lot to take away. We'll be working on various things between now and the World Cup."

Sam Curran starred for England in the final one-day and the experience has been good for younger players like him.

Silverwood added: "We're looking forward to the Test series in England. We always know it's competitive, with two very good teams going at each other. It's an ideal run-in for the Ashes."

FULL SHOCKING STORY: PAGE 5

IT'S WEMB-GLEE FOR FANS

Big crowd back at Euros matches

ENGLAND could be cheered on by a big Wembley crowd at this summer's Euro finals.

Restrictions should be relaxed enough in time for more than 10,000 to be at Wembley for the last group game against the Czech Republic on

By JOHN ANTHONY

June 22. That's because the roadmap says there will be no covid regulations in place from the day before that match.

Sport minister Oliver Dowden is hopeful a crowd of more than 10,000 will be under the arch by that time.

That's the figure who

can attend the early games in the postponed competition that kicks off on June 11.

Dowden said: "For the later matches in the tournament, we'll be looking at substantially more than 10,000, but that is subject to finding a safe way of doing that."

"I'm very hopeful and optimistic that we will

get many, many more people in for the later stage games.

"This is why it's important people abide by the rules as we go through each stage of this."

"The reason why we'll be able to do this is because people have by and large stuck to the rules so far."
